Homeworld Guarantee

- Our Standard of Excellence

We offer a Guarantee that gives you complete security in the knowledge that your new home will be protected by the following:

- We are **Licensed Building Practitioners**.
- **Master Build Guarantee** - this will provide you with 10 years of protection against structural/material defects, plus additional benefits such as Loss of Deposit insurance.
- Complete adherence to all building codes and licensed Building Practitioner requirements.
- Homeworld only use top quality, proven products from New Zealand's most trusted suppliers, you can have complete confidence in the durability and performance of these materials. We will never put your home or our proven reputation at risk by using inferior products or building practices.
- Homeworld has public liability insurance for your protection. In addition, Homeworld will provide you with a three month maintenance period once you move in.
